**Author Talk: Lou McKee's Wilderness Retreat – 2 p.m. – South Hill Library, 3324 S. Perry.** Join us for an author talk about the Klee Wyck Journal. It is a book full of beautiful illustrations and stories of the people and adventures involved in the building of a coastal wilderness shelter hidden among old rain forest firs and cedars and dense salal bush. The author, her husband, family and friends reach this remote shore by kayak. There are no roads nor pathways. No docks nor safe buoys. They land on a little sheltered spit in a bay that is otherwise open ocean surf. In time, a trail is forged into the woods to build a cedar cabin to shelter them from the rain that can drench (and beautify) this sea coast. It is a dream that you can live by turning the pages of Klee Wyck Journal.
