SUBJECT: **(Amended)** SEPA Checklist for: Construction of a new 65,000 square foot (footprint only) commercial building with associated 180 stall parking lot. Grading will include 6,000 cubic yards of cut and fill of existing material, and 40,000 cubic yards of imported fill.

REPORT NEEDED BY: May 25, 2020. A copy of the Environmental Checklist and site plan is enclosed for your review and comment. If additional information is required or needed for your department or agency to comment, please contact the Planning and Development Department or the Applicant as soon as possible. If no comments are given by the date indicated above, we will assume that there are no comments relative to the environmental review and will base our determination on the existing information.

The lead agency is likely to issue a Determination of Non-Significance for this project. Please note that this may be the only opportunity to comment on the environmental impacts of the project. The lead agency is using the optional DNS process for this project as outlined in WAC 197-11-355.
