

Free Summer Reading Events for Kids at Spokane Public Library

Amazing Science!

Join the staff from Mobius Science Center for an amazing science show. It's an excellent chance to experience the wonder of our world through science. K-5th grade.

Animal Homes with WVOLC

Learn about animal homes with West Valley Outdoor Learning Center and meet a live animal guest! K-5th grade.

Basic First Aid for Youth

Kids will learn basic first aid skills including bandaging a wound, tying a sling, as well as administering back blow and stomach thrusts if someone is choking. We emphasize the importance of calling 9-1-1 in an emergency. Students will take home their own practice First Aid Kit. K-5th grade.

Cecil the Magician!

Cecil will thrill audiences with his unique magic. K-5th grade.

Kahiko Hula for Kids

Join members from the Kahiko Hula School as they teach us some simple Hawaiian songs and dances. Preschool-5th grade and all those young at heart.

Kids' Concert with Jenny Edgren!

Join us for a concert with local singer songwriter Jenny Edgren. It will be a great opportunity to sing and dance along. Toddlers-Preschool.

Learn with STEM Barbie

Join Krista Loney from EWU Eastern Area Health Education Center as we put together accessories for STEM Barbie at self-paced interactive stations. Ages 6-10.

S.C.R.A.P.S.

Join presenters from Spokane County Regional Animal Protection Service. Learn about what SCRAPS does, how to become a volunteer, how to approach a stray, and what to do if your pet is lost. Young children should be accompanied by a caretaker. Preschool-5th grade.

The Solar Eclipse for Kids

On the morning of August 21, there will be a solar eclipse in Spokane! Ninety percent of the sun will be covered by the moon! We'll learn about eclipses, how to view them safely, and we'll make our own solar eclipse viewers. For K-5th grade.

Spokane Taiko

Spokane Taiko's energetic performance on traditional Japanese drums will be a great event. The drums have an incredible sound that you feel through your whole body. Who knew that music could be such a workout? All ages.

Three Little Pigs Building Challenge

Join us for a different kind of story about the three little pigs and the big bad wolf. Use your building skills to construct a wolf proof house for the three little pigs. All materials provided. For K-5th grade.

Your Amazing Brain!

Join Krista Loney from the EWU Eastern Washington Area Health Education Center and learn about your amazing brain. See a fun video about the brain and explore self-paced interactive stations. For 4th-8th grade.

(Turn over for dates, times and locations.)

Downtown • East Side • Hillyard • Indian Trail
Shadle • South Hill | spokanelibrary.org
