We received our first allocation of levy lift dollars. In Business Office news, the City of Spokane will see a full 9 percent for sales tax rate on July 1. The asset tracking system is not in effect, and we will proceed with using the original asset tags. Ms. Hemingway asked about the expenditure trends and the comparison of totals between 2019 and now. Ms. Edwards attributed this to bond construction projects. Spending is down and we are not seeing repairs and maintenance cost. No further questions.

BOND CONSTRUCTION PROJECT UPDATE
Ms. Brown explained we finalized an amendment with Luci Creative for the fall protection. She also provided a list of purchase orders which were the result of two board actions in December 2020. One for the procurement and purchase of technology equipment and the other for furniture up to the maximum budgets. Ms. Brown highlighted the progress we’ve made since then. Ms. Starkey asked about furniture lead time. Ms. Brown explained Mr. Chanse will discuss this. The topic of the month was Central Library. Mr. Johnson explained how construction at Central Library is progressing. Mr. Kershner asked if there will be three main entrances. Mr. Johnson confirmed. No further questions.

EXECUTIVE DIRECTOR’S REPORT
Mr. Chanse explained opening dates were pushed back due to shelving delays. We received bid packages from the vendors to better understand timelines. The Hive™ will open on time. There may be a delay of a few months for the other locations. Manufacturing delays are the largest contributor to the delay. Mr. Kershner asked if we shared the dates publicly. Mr. Chanse and Ms. Donovan explained the dates were published in some places and we had to pull them back. No major announcements were made.

Curbside pickup offerings were terminated due to lack of use. We are anticipating news and planning for a state-wide reopening, including moving toward full-capacity, computer use, and pre-pandemic hours. We may offer outdoor programming and follow health guidelines set by
partners while working with them. STA Summer Passes are offered again this summer. There is full access to the Summer Passes for youth county-wide. Lilac City Live is coming back in September at Lucky You Lounge. For DEI news, June is Pride Month and we created a book list recommended by community members. The admin team will use a DEI lens when they participate in various policy reviews. Kanopy was purchased by OverDrive and no changes will take effect immediately. Staff STAR went to Gordon Goldner. Mr. Kershner gave a shout out to the Friends of the Library for supporting Summer Reading. Ms. Starkey asked when Lilac City Live will start. Mr. Johnson responded with the third Thursday of September. Mr. Chanse added Central Library will most likely not experience opening delays. No further questions.
