Read 15 hours to get a free book!

Did you know that kids who read during summer break do better in school in the fall? Summer Reading at Spokane Public Library makes it easy and fun to keep up with reading skills while on summer vacation.

Best of all, once you read 15 hours you can pick up a free book at your favorite Spokane Public Library!

In addition to tracking your hours, you can attend fun Summer Reading programming all season long! We will have events where you can create, learn, grow, and so much more. Summer Reading ends August 31. We hope you enjoy your adventure!
